Morton Community Center Celebrates 80 Years with Open House

Morton School, home of Morton Community Center, a part of the West Lafayette Parks and Recreation Department, is celebrating 80 years of being a valued part of the West Lafayette community with an Open House on Saturday, September 12, from 1-3 p.m.

Morton School, named after the Indiana Civil War Governor, Oliver P. Morton, was built in 1929 in the Classical Revival Style by the Lafayette architect, Walter Scholer, Sr., to replace the fifth Morton School to occupy the 3.5 acre site. The school opened for classes in 1930. In 1985, the school closed due to low enrollment. Morton School was then leased to the City of West Lafayette for use as a Senior Citizens Center that had been formerly meeting at the old City Hall which was part of the fire station on Northwestern Avenue. In 1991, the city purchased the building, and Morton Community Center was established. Morton Community Center now serves as a multi-purpose building with a variety of rooms that are used for Parks and Recreation programming for children and adults and that are rented out to a variety of special interest groups.

The Open House will feature tours of the facility and free mini-classes, displays, and demonstrations. There will be a gourd art display by Deborah Remsburg and an art display by Gabriela Sincich during the

open house. Other activities include drawing mini-lessons by Bette Goodrich from 1-3, children's art activities with Gabriella Sincich from 1-3, decorative painting demonstrations by Candace Larson from 1-1:15, a Dao Yin Yang Sheng Gong demonstration from 1-1:40, a Shotokan Karate demonstration with Dr. Marc Rogers from 1:40-2, a belly dance demonstration and mini-lesson with Mary Kat Lebo and Troupe Oasis from 2-2:30, and an Awareness Thru Movement ® for Wellness & Stress Reduction mini-lesson with Carla Rock from 2-2:30.

Morton Community Center is located at 222 N. Chauncey Avenue, West Lafayette. For more information, please call 765-775-5120.
